Welcome to the first edition of the Dining Services newsletter from Sodexho! In these monthly newsletters, we will highlight events from this month, look forward to activities for the coming months, and give you any important dates and times you need to remember.

In addition to a wide variety of delicious entrees and tantalizing desserts, Sodexho had a lot of fun with events in March. The first event was the 50's Diner Night, in which the Main Event station offered many "comfort foods" that you might have dined on in the 50's. Entrees included roast turkey breast, meatloaf, and mashed potatoes, as well as a wide variety of specialty cakes and pies.

The next event was Tex-Mex night, featuring foods influenced by Mexico. Recipes for this event were researched and included: Margarita Shrimp Kabobs, Chicken Enchiladas, Mexican Egg Rolls and California Tamale Casserole.

March also the rollout of a new Pub menu. Favorite entrees thus far include the Kentucky Club Sub, Buffalo Chicken Flatbread, and Taco Salad Wrap. Drop in today and try something new!

We finished off March activities with Casino Night in the Fishbowl. Student Senate members manned tables of Blackjack, Roulette, Texas Hold 'Em, and Bingo. Prizes such as T-shirts, beach mats, cookies, and small toys were rewarded according to chip values.
